

VG EGAN

VG KIRA-N 45x45 MATE

FORMATO CM

| | |
|--------------------------|----------|
| Espesor | 10.5 mm |
| Acabado | Mate |
| Color | Mix |
| Material | Gres |
| Uso | Interior |
| Antideslizamiento | Clase 1 |

Características técnicas

| | | | |
|------------------------------|----------------------------------|------------------------------------|----------------------------------|
| Antideslizamiento Clase 1 | Abrasión superficial PEI 4 | Resistencia al rayado MOHS 6 | Resistencia a la helada No |
|------------------------------|----------------------------------|------------------------------------|----------------------------------|

Packaging caja

| | |
|--------------------|--------|
| Peso pieza | 4.8 kg |
| Piezas caja | 5 |
| Metros caja | 1 m |
| Peso caja | 1 kg |

Packaging pallet
